Keisha..

I just wanted to write you to tell you how much I enjoyed you guys coming to visit us at Nvinte hall. We never get anything like that because we're always in trouble. But I really appreciated that and pretty much I think so did everybody else. You guys actually helped some of us because now when I get out I'm gonna always think before I do something, like your friend said "I have chased all the time, and all the time I have chased" that really got to me. and everything all of the rest of you were talking about made me think about it after. and I just wanted to also thank you for the treats. hope you write back when you have a chance.

Always,

TO THE WOMEN OF SILLY WOMEN

Dear Ms. Keisha and
friends

I really appreciated you coming here to Los Pedrinos to talk to us about life and life's choices. I really enjoyed it. You really inspired me to look at life in a different way. Seeing how successful you are has motivated me to strive a little harder than I have to have a successful life. I know that if you did it I could do it. Maybe even better. I've always had a good head on my shoulders. I just needed a little more open opportunity to get where I needed to go. I thank you for your time because Lord knows you came at the right time and that kind of motivation is what I needed.

sincerely

P.S. I read the the booklet
you gave me and the section
you wrote about parents, has
really inspired to to look
in my heart and find
space to actually sit
down and talk to my
mother and father who
has not been in my life
and ask, why? Thank You

Dear Silly Girls Inc.

Thank you for coming all the way down here just to talk to us about everything. When i do get out as i will be looking you guys up on the internet!

Thank you for giving us candy because we never get candy. But yeah thank you.

Sincerely

Dear Ms. Keisling & Friends,

I really enjoyed the conference you guys came to give us in Los Pedrinos Juvenile Hall. All your presentations & all the words you guys spoke to us really inspired me & made me feel like it's not too late to change my ways, like I could be someone important in life, & like I could always have someone to talk to. Sarge's words made me feel strong & important & like I am worth something. All your speeches & stuff basically made me feel like a nice young lady not like a juvenile criminal. I want to thank all you guys for coming here & delivering such inspiring & sweet words. We all appreciate it very much.

Sincerely,
