Silly Women,

I really liked the presentation. It made me very aware of how I should protect myself from contracting HIV. I also learned what I should really get out of a relationship and that I should make rules and stick to them, that they're not negotiable. I learned that I am something special and I'm glad you came to see us because it opened up my eyes to important things. Thank you and I hope you all keep spreading the the valuable knowledge you have to offer so others can be helped like I was.

Always,

Dear,

Dear Silly Women Team,

I like to thank you for coming. I never thought of it that way, in life you do have so many choices and you have the Decision, you have the last word. People will respect you depending on the way you carry yourself. I want to leave this place a butterfly.

With a positive mind. Respect yourself so people could respect me as well. Keep doing what you're doing.

Thank you,

Dear

Dear Silly Women,

Well reading your magazine was very admiring to me. What mainly caught my eye was your poems. Well what I mainly want to say is I would really love to meet you guys again so I could tell you a little more about myself. Well it was nice meeting you.  
Sincerely

DEAR Silly women/TEAM

First I would like to say how I appreciate all of you coming to speak to us. I learned something very helpful from everyone & some of the things really stuck to me. First I will start with Keisha, she really stood out to me when she started out with "Soulja Boy", then I was feelin' her when she said she would rather talk things out than fight. Next Mr. Antwon, unlike all the other ladies I did not drool & howl, I listened & understood what you meant by how you can start off (ugly) or bad & come out (beautiful) or better, wiser & smarter than before. I was also feelin' you about the Transformers thing, how the little Beatie wasn't the flashiest thing, but turned out to be the strongest & the one with the biggest

Heart. DORITA, I want to start off  
By TIPPING MY HAT TO YOU. I  
RESPECT YOU SO MUCH FOR COMING  
OUT & KEEPIN' IT REAL, YOU DIDNT  
SUGAR COAT ANYTHING. I MAY HAVE  
BEEN THE ONLY ONE PAYING ATTENTION  
& NOT TO GET A SNACK, BECAUSE I  
UNDERSTAND HOW IMPORTANT HIV/AIDS  
ARE. IF SOMETHING AS SUCH SHOULD  
HAPPEN TO ME I HOPE I COULD BE  
AS BRAVE AS YOU SO I COULD SPEAK  
TO PEOPLE LIKE ME. NOT SAYING I  
WANT HIV/AIDS, BUT IF I DO HOPEFULLY  
I COULD SAVE SOME PEOPLE'S LIVES.  
AS FOR EVERYONE WHO SPOKE TO  
US LADIES, "I'M TRYIN' TO GET LIKE YALL".  
ONCE AGAIN "THANK YOU".

Appreciatedly Yours,

Thank you for coming today, I want to thank every  
body that came. Bscouss you guys didn't have to  
come. I was really interested in this lesson because  
I have alot going on in my life. I was here  
when you guys came in Oct. I have never left.  
So you can understand I'm stressing out. My Mom  
is really sick and today you guys made  
me think about the important stuff in  
life. Thank you for coming because at  
first I thought I was just stupid and I'll  
NEVER be nothing but a friend forever. If  
I realize the east side ain't gone to with  
me forever.

Thank you

Dear Silly Women Team,

I really liked your presentation. Thank you for coming to hp.

Love

SO THANK YOU SILLY WOMEN

MUCH THANKS

**Dear Donte**

**Hey, how are you? I wanted to tell you that I really appreciate that you came to speak to us, your speech was awesome. It was very inspiring and it made me realize that I need to be more cautious of who I sleep with. I really admire you for going up in front of us and discussing your personal business. I can't wait until I get out so that I can do some motivational speaking as well. Sometimes we mess up but it takes a bump in the road for me to get back on track. I just wanted to tell you that I really appreciate you coming to speak to us, and it made me think.**

**Sincerely,**
